An Evaluation Report Of Arlington's Secondary School

How do the standards of Arlington's schools measure up to the standards in other communities?

What are considered to be the good features of Arlington's public schools and what could be done to improve present conditions.

Questions asked by many parents during that period of time when their youngsters are attending school.

Both these questions were answered in great part in an "interim evaluation report" of Arlington High School by the Visiting Committee of the New England Association of Colleges and Secondary Schools, Dec. 5, 6, 7, and 8.

With the interest expressed in the local school system and with the talk of possible further renovations in the future, this newspaper feels that such a report should be made available to the public, so with the co-operation of the Superintendent of the Arlington Public Schools, Dr. Roens, this publication will print the first of several installments of the information of this report this week.

Evaluation of six phases of Arlington's secondary program was made with a rating of one being considered poor; two-fair; three-good; four-very good; and five-excellent.

The general average was three. Dr. Roens stated that as far as he knows no school has ever reached an evaluation of five in any of the fields.

The program of studies was evaluated at 4.2.

Public activity at 3.5.

Library services at 2.9.

Guidance services at 4.3.

School Plant at 3.8.

School Staff and Administration at 4.4.

All of which means that of the six general phases evaluated Arlington's schools are above average in five; only in library services is the local school under the 3.0 average, and then only by .1.

(Continued on Page 4)

A short "blurb" on the front page of last week's News headed "Word of Regret" explained how Town Manager Edward C. Monahan hoped that residents would understand that when their driveways seemed plowed in a number of times after the Jan. 16 snow storm that there was reason for it.

The Manager stated that the widening of streets as much as possible was necessary in preparation for future storms.

The preparation paid off-and how. For as we all know Arlington was hit by one of those "future storms" last Thursday. If these streets had not been widened after the smaller storm, the heavy snow and the severe cold would have made for real serious conditions at the present time.

Maybe Arlington isn't the best plowed town in the state, but certainly the congratulations of many on the fine job done after last week's storm indicate that a very fine job has been done.

Is the answer to the MTA deficit State Aid.

Some legislators think so. The latest bills before the Legislature which if passed would add to the tax burdens of the communities in the MTA District outside of Boston are running into stiff opposition from those representing the towns and cities involved.

Certainly, residents of Arlington can ill afford to pay extra dollars on their current tax rate to "bail out Boston."

Arlington High School is having one of its finest years athletically. In case you haven't noticed lately, the local hockey team is close to clinching its third consecutive G.B.I. Hockey title, the high school hoop team is having one of its finest years, and the track team is leading Division II in the MET Track League.

At the same time, the local Catholic high school would seem to have a fine future in sports. Already this school with but a freshman class is participating actively in winter sports on a league level.

And let's not forget the Arlington Arcadians who are currently leading the Mass. Amateur hockey league.

All this-a fine boost for Arlington's athletic training.

School Costs Less Locally

The cost of sending a child to school in Arlington is generally less than in the case in many communities in the surrounding area.

Residents of 13 communities have to pay more to send their children to elementary school than is

Mothers March Next Sunday

Arlington women making plans for the March of Dimes Mothers' March, Sunday are Mrs. William Richardson, Arlington Chairman; Mrs. Howard Robertson; Miss Judith Robertson; Teen Age Chairman for Middlesex County East; Mrs. Robert E. Mahoney and Mrs. Lawrence Harrington, Arlington Co-Chairman.

Arlington's Personnel Board has inserted articles in the Town Warrant requesting a four per cent pay hike for town employees and an additional increase for the members of fire-police departments.

In making the requests the Board hopes to maintain a median comparison, and a fair standard of living for those who work for the Town.

If both raises are approved, firefighters and patrolmen would be eligible for a maximum salary of \$5450. The across the board raise of \$208 or 4 per cent would raise the present maximum from \$5150 to \$5242, while the request for a further increase under a second article would raise the maximum to \$5450.

According to the Board's reasoning this would raise the salaries of the local fire and police departments to a figure comparable to other communities in the area.

An appropriation of \$93,750 would be requested to cover the cost of the across the board raise while another \$15,640 would be necessary to cover the additional cost of the pay hike for the fire fighters and police officers.

The total amount of funds requested for ten Personnel Board articles inserted would amount to approximately \$113,390 on the tax rate.

Some \$110 of this total would be included in the pay hike requests. Should both articles for pay increases be approved, sergeants on the police force and lieutenants on the fire department would be eligible to receive a maximum of \$6050; police lieutenants and fire captains, \$6675; and police captains and fire deputies \$7325.

Thus a spread would be established between the maximums of each grade as follows: patrolman-fire fighter and sergeant and fire lieutenant, \$6000; sergeant-fire lieutenant and police lieutenant and fire captain, \$6250; and police lieutenant-fire captain and police captain-fire deputy, \$6500.

First National Distributes S And H Green Stamps

First National Stores has begun distribution of S&H ST. MPS IN Boston and in other eastern Massachusetts communities, it was announced this week by John L. MacNeil, executive vice president of First National.

All three local stores will participate; 170,808 and 1301 Massachusetts ave.

"A total of 191 First National Stores are included in the stamp plan starting on Tuesday this week," MacNeil said.

"Because of the success of S&H Green Stamps in our Hartford division we have decided to extend the plan to this area. The stamps were introduced last July in First National Stores in New York and Connecticut, and later in western Massachusetts.

More than 70,000 retail merchants distribute S&H stamps, it was pointed out, for more than \$70 million in retail value.

According to S&H figures, 12 million dollars worth of merchandise, made in New England, was purchased last year. Because First National has joined the S&H plan, nine new redemption stores will be added to the scores already in this area.

"We chose the S&H Green Stamp plan because it is the oldest and by far the largest plan in effect in this country today. S&H Green Stamps, distributed by The Sperry and Hutchinson Company since 1896, are the most valuable stamps our customers can save.

"Throughout its 64 years of experience, it has an outstanding record of providing highest quality merchandise and service."

Walter A. Whitnack, executive vice president of The Sperry and Hutchinson Company pointed out that the country's first redemption center was located in

Bridgeport, Conn., at the turn of the century. "From this beginning we grew to national proportions, operating a country-wide system even prior to World War II."

"Today, we maintain more than 700 stores throughout the country to redeem our stamps. Some 70,000 merchants use the S&H service and 48% of all U.S. families save S&H Green Stamps.

"S&H has spent millions in the last three years in the purchase of Massachusetts-manufactured products. For a long time we have been a major customer of many manufacturers in this immediate area, including General Electric Co., Evans Case Co., Polaroid Corp., Thayer Company, Buxton, Inc., and A.G. Spalding & Bros., Inc."

A free copy of the new S&H "Idea Book", illustrating more than 1,000 items of merchandise redeemable for S&H Green Stamps, is available at all First National Stores.

Finest Formed in '25 First National Stores, Inc. was formed in 1925 as a consolidation of the Ginter Co., the John T. Connor Co. and M. O'Keefe, Inc., each of which had been in the chain grocery business since the 1890's, largely in the Boston area.

By 1932, the Company's territorial coverage had expanded to include all six New England States and Eastern New York. The first Company store in New Jersey was opened in 1958.

First National has four operating divisions: Somerville, serving Eastern and Southern Massachusetts; Southern New Hampshire and Vermont; Hartford, serving Connecticut, New Jersey, New York and Western Massachusetts; Portland,

Is Burned By Soup

Dog Officer Sam Femia, 50 Norcross st., is recuperating at his home after suffering first and second degree burns on his hands, face, thigh, and leg last week when a bowl of hot soup was spilled on him.

Mr. Femia was walking into the dog kennel at feeding time when he slipped and fell on his back. The soup spilled over his face and only a hat which he wore prevented him from receiving more serious burns.

He received first degree burns on both hands, eyes and left thigh, and second degree burns on his right leg.

More Births Deaths Here

According to the statistics released this week by Town Clerk Ann Mahon, the number of births, marriages and deaths recorded in Arlington during 1960 each showed an increase over the previous year, the number of births recorded reaching a record high.

Planning Board Hopes For Mtg. On Parking

A meeting between the Board of Selectmen and the Planning Board and it Planning Consultant adjourned Monday night with the hope that a general discussion of the Railroad ave. plans might take place sometime after Town Meeting. Town Committees and property owners in the area would be invited to sit in on such a meeting.

Planning Board Chairman Miss Mardena Campbell told members of the Board that she was not in accord with the plan for a driveway in the area. She stated that she didn't feel anything should be done in the area that must be redone at a future date.

Meanwhile, Mr. Rowland stated that he wished to encourage all-day parking in the so-called "Old Municipal Parking Area" with easier access from this area to Mass. ave.

Seated, left to right: Carl Gustafson, Bob Gurucki, David Holway, Richie Butler, Mike O'Connell, and Jimmy Largent.

Arlington high school's track team rolled to victory in the one-lap relay and the mile relay at the 101st Infantry Armory Saturday to break a tie with North Quincy and take over undisputed possession of first place in Division II of the MET Track League.

In winning a 46-36 decision over the previously undefeated Quincy entry, the locals took four firsts in addition to the relays to a total of four firsts for the losers.

John Parker of Arlington took first place in the 300 in 36.3 while second and third place finishes by Bill Lewis and Robert Beach gave Arlington a clean sweep in this event.

Arnold Repucci of Arlington took top honors in the 1000 in 2:38.9; Peter Fairchild of Arlington finished second and Ron Petrus of North third.

John Radochia and Peter Hiller of Arlington tied for first place in the high jump with Al Gordon of Quincy finishing third; the height of the jump was 5 ft. 7 inches.

David Falwell of Arlington won the 50 yard dash in 5.9 with Jim Summer of North taking the second spot and James Lund of Arlington finishing third.

Arlington's team of Falwell, Beach, Martin and Manfredi took the one-lap relay with the team of Kelley, Fairchild, Ranucchi, and Hiller taking the mile relay.

Arnie Kaupp of North Quincy won the mile in 4:52.2 with Clyde Ward of Arlington taking second and Tony Manfredi of Arlington finishing third.

Dennis Pearl of North won the 600 in 1:24.1; Arlington's Bob Kelley finished second and North Quincy's Paul Christensen finished third.

George Hunt of Quincy won the shot put with a toss of 40 ft. 10 3/4 inches; David Martin of Arlington finished second and Ralph Warrington of Arlington third.

Jeff Simmons of North took top honors in the hurdles in 6.7; Dick Kemp of North finished second and Clayton Zucker of Arlington took third spot.

3rd Period Surge Gives Locals Win

Third period goals by Morgan, Quinlan and Lax gave Arlington high school's league-leading G.B.I. hockey team a 6-3 victory over Waltham at the Boston Arena, Saturday.

The win increased the local club's lead to five full points over Cambridge Latin which moved into second place ahead of Waltham. Latin edged Brookline 3-1 and is the only team in the league to have beaten Arlington.

The contest started out as a romp for the local team as Quinlan scored unassisted at 1:37 of the first period. Arlington's second marker came at 2:57 of the same period with Kierstead scoring from Donnelly and Lax.

Waltham stormed back in the second period to tie the score with W. McPhee tallying the first goal at 2:48 from Melanson. W. Melanson tied the count at 3:51 with an assist going to Kelly.

Charlie Morgan moved Arlington out front with an unassisted marker at 6:12 of the same period, but Kelley scored from McPhee and Cousins at 5:05 of the final canto to tie the score once again.

The locals broke loose at this point with Quinlan knocking in a Charlie Morgan rebound at 5:12, just seven seconds after the Kelly score.

Morgan tallied again at 5:57 with Quinlan and Donnelly picking up assists.

The final marker for the local team came at 9:52 with Lax scoring from Leonard.

Leafs, Canadiens Win. Deveau Scores 4

The names Maple Leafs and Canadiens seem to indicate the best in hockey whether applying to the Montreal Canadiens and the Toronto Maple Leafs in the Hockey League or the Maple Leafs and Canadiens in the Arlington Pee Wee Hockey League.

The Leafs hung on to their slim lead Saturday morning as they blanked the Black Hawks 4-0 with Fred Dolan scoring two goals and assisting on a third to lead the way.

Meanwhile, the Canadiens, sparked by the League's leading scorer John Deveau, who scored all four markers, beat off the stubborn Maroons 4-1.

Leafs 4 Hawks 0

Fred Dolan, the Leafs' classy center, scored two goals and assisted Ed Ronan on another to keep the Leafs in first place. Tom Peters scored the final goal for the

Leafs assisted by Gerie O'Sullivan. The Leafs now have won four straight and are looking more potent as the season progresses.

Rangers 1 Bruins 1

Larry Cappello and Bob Prescia each notched their first goals as the Rangers and Bruins tied 1-1. Cappello, a vastly improved player, helped pull the Rangers out of last place on a great solo effort. Michael Sweeney gained an assist on Prescia's tally.

Wings 0 Rockets 0

Peter Greeley and Dom Apprille were spectacular in the nets as the Wings and Rockets battled to a scoreless draw, Pete Morse broke

away several times but couldn't beat the acrobatic Greeley.

Canadiens 4 Maroons 1

The weather was cold, 8 degrees above, but Johnny Deveau was hot and plunked home four goals to keep the Canadiens on the trail of the Leafs. Ken Donovan and Don Russo assisted on Deveau's first and last goal.

The Maroons were fighting all the way. They scored what looked like the tying goal, but it was called back for offside. After this Deveau went wild and scored two quick ones. Jim Largent scored the lone Maroon marker on a great solo effort.

A Job to Test Patience

Members of the Arlington Board of Selectmen are more than a bit "Burned" over the situation at Harvard sq.

Two members of the Board in particular, Joe Greeley and John Parker, both MTA users, are very unhappy about the situation.

These two members of the Board in particular feel that the Board is being made a scapegoat because "no definite action" has been taken to correct what has become a serious problem in the square.

Originally, members of the Board and local legislators attempted to initiate action to have some sort of shelter constructed in the Harvard sq. area so that those waiting for buses would not have to stand out in the elements while waiting transportation.

Meetings were held with Cambridge officials, letters were written to the MTA, the matter dragged on and on.

Representative Khachadorian made some headway by getting the MTA to agree to open doors on waiting buses so that passengers might wait in a dry warm location.

However, this practice, apparently, has now been discontinued according to reports. Representative Buckley has kept on top of the situation in the square, keeping track of another proposal which would allow the buses to go underground.

This proposed plan was almost in operation until someone discovered that further tests must be taken before the plan is put into operation. As recently as last week, Mr. Buckley, in a news release, told of tests being made at the underground entrance and stated that he would inform local residents when the D.P.J. presents its final report on the survey.

Selectman Parker, who very seldom gets "steamed up" at meetings of the Board, let down his "hair" on this MTA problem.

Parker was particularly concerned because of the length of time he personally has taken to get from Arlington to Boston (one and one-half hours); the fact that he had to wait one-half hour at Harvard Square for a subway car on the trip in to Boston; and that some 400 persons were waiting to board buses to Arlington on the trip home.

Greeley, also an MTA user was equally unhappy. What bothers "Joe" particularly is that Town Officials are being accused of doing nothing about the situation.

Another letter will be sent to the MTA. What good will it do? Selectmen are beginning to wonder. After writing letters, making personal checks on the matter, and from this writer's point of view doing everything possible in an attempt to solve the problem, Board members are naturally taken aback when they overhear residents criticizing their efforts.

We don't blame them--and possibly if more residents using this Harvard line made known their own feelings on the situation, more positive action could be taken.

The S&H Company The Sperry and Hutchinson Co. was founded in 1896. The firm's first redemption store was opened in Bridgeport, Conn.

S&H now employs nearly 7,000 people. The company operates 650 redemption stores, 100 mail order facilities, and 5 mobile redemption stores. There are presently 37 redemption stores in New England. Nine more will be added this spring.

These redemption stores are served by 10 regional distribution centers.

The company purchases its merchandise from more than 700 manufacturers and is the largest single customer of many of these, S&H officials say.

"S&H is the only nationwide stamp plan and the only stamp firm to have been awarded the Good House-keeping Seal of Approval," Whitnack of S&H stated at promotional luncheon at the Statler-Hilton, Boston, on Monday.

Brookline town employees have requested a pay hike of 8 per cent; Cambridge granted a 10 per cent increase last July; Medford granted a \$460 across the board hike Jan. 1; Water-

town is seeking a \$5500 fire-police maximum by referendum; and a Quincy survey if accepted would establish a \$5450 maximum.

Unskilled labor salaries in other communities if the proposed hikes are accepted would be as follows: Brookline - \$86.80; Cambridge, \$87.45; Medford, \$84.40. Arlington's unskilled would receive \$83.00 if the across the board hike is approved at Town Meeting.

The Inside Story

Last week we said that we would swing back into the selectman's race where the air might be a little clearer. However this race looks more like the Northeast which buried the East last week. Because of the volume of intended candidates we are forced this week to focus on the candidates with Republican and Independent backgrounds.

First and foremost is the Republican incumbent Arthur Saul, who should experience little difficulty. Arthur seems to be in the same position as President Kennedy where those of the same political persuasion would like to ride on his coat-tails. Arthur needs them as badly as did Jack and like Jack will run an independent campaign with no team tie up, either on or off the record.

Next is Republican State Committeeman Robert "Bob" Porteus, who reached new heights last week when in his news release he paid tribute to the Board of Selectmen "all fine citizens and gentlemen". Continuing, he was "shocked" and "mystified" that the Board was "not able to solve and rectify certain abominable situations which currently exist in the town." He went on to say that "the Board of Selectmen must consist of men of keen perception - men who play fair," and then challenged their good faith as well as that of the announced candidates.

It was certainly one contradiction after another. Robert reminds us of a chameleon but we have never heard of a chameleon getting elected. The hole Robert is digging might end up big enough for two.

New on the political scene, Mike Marcellino seems to be in the race to get himself "known". This he will accomplish, but not the way he expects. Mike has no training or background in town government, no group or following from any civic organization and seems only to have desire to be "known".

Charles Morgan could be the dark-horse. Charles spent most of his 46 years in town and is a successful businessman. With a few professional "pols" in his camp he could make a spirited race of it.

Now to the Independents! Ernest Scott is a surprise entry, but with his background as a sales supervisor for a large refining company cannot be easily dismissed. Last year Scott got his political feet wet by being elected Town Meeting Member in Precinct 14. We will have to watch Scott's candidacy develop before we can measure his potentiality.

The candidacy for selectman of the 22 year old Miss Keefe was discussed lightly by this column last week. We have seen no further development and thus have suspicion that this entry will be scratched before the starting gate.

The Arlington Democratic Club, not to be confused with the Democratic Committee, held a meeting Sunday to discuss the endorsement of Democratic candidates for the various offices. If their purpose is to help the candidates we would suggest their withholding the endorsement. It could be the kiss of death in this non-partisan election.

To sidetrack for a moment, it is good to see that even though elections are over, Rep. Buckley is following up his campaign promise to those people, forced to withstand the elements in Harvard Sq.

By the way, whatever happened to the bill filed by his Republican counterpart, concerning the counting of ballots before 8 p.m.

Two is company - Three's a crowd - what's fourteen? (Ridiculous)

Make color your fashion statement and your clothes will tell a lot about you. That's the message for teen-age "sew-it-yourselfers" from the January issue of Seventeen Magazine, which features a spring-into summer McCall's pattern wardrobe coordinating nine styles with twenty-five fabrics. A girl can express her individuality through her sewing machine by stitching up pale or daring colors, shy or grand-scale prints, coordinated or contrasting color schemes. The entire wardrobe spotlights lilac for date dresses, yellow for play dresses, green for tunics and pants, and pink and orange for a slim, effortless dress.

The simple-to-make patterns are based on four silhouettes that exemplify this year's news in fashion: ruffled-hemmed dresses à la Paris' Left Bank, knee-

What Selectmen Talked About

Total cost of the street construction program to be requested in this year's Town Warrant is \$254,997.17. A request for the construction of Candia st. was inserted in the Warrant Monday night after the Board of Selectmen adopted the order of laying out of that street.

Previously, the Board had voted to change the grade of Candia st. from station 0 plus 0 to 2 plus 46.

The question of Board of Survey and Street Hearing relative to Railroad ave. was finally taken from the table by the Board of Selectmen Monday night and "no action" taken.

The Selectmen Monday voted to publish the Annual reports of the Civil Defense Director, Inspector of Animals, Tax Collector, the Personnel Board, Trustee of Elbridge Farmer Fund, Public Welfare Department, Treasurer, Boards of Appeals, and Trust Fund Commissioners in the Annual Town Report.

Arthur R. Wyse, 30 Lombard ter., Len T. Flemming, 39 Columbia rd., and John M. Sands, 10 Nicod st., were selected to serve on the Jury Pool at Cambridge, Monday night. Chosen to serve at the Civil session in Lowell was Frank Tillou, 132 Robbins rd.

The Selectmen Monday night voted to insert an article in the Town Warrant seeking the sum of \$46,327.46 for Aid, Relief, or Care furnished persons falling into distress and being in need of immediate relief during the year, 1960.

The resignation of George J. Remmert, 5 Homestead rd. as warden in precinct 4 was tabled Monday night by the Board of Selectmen.

A communication from the Arlington Heights Improvement Association requested the Board of Selectmen to review the intersection of Florence ave. and Wachusett ave., relative to the advisability of more adequate traffic controls as recently requested by the Association.

The action was taken in view of the recurrence of serious accidents at the intersection in recent weeks.

The American Legion Auxiliary was granted permission to conduct a Poppy Sale, May 11, 12, and 13.

A petition from residents on Orchard place, relative to the property owned by Herbert D. Stevens, 2 Orchard place was referred to the Town Manager for investigation.

The Board has issued a proclamation designating the week of Feb. 19-26 as Brotherhood Week.

Evaluation Report

(Continued from Page 1)

Generally, here is a list of the commendations and recommendations of Arlington's program of study as presented in the report.

COMMENDATIONS:

1. The flexibility of pupil programming and the attention paid to individual needs. We cite the professional program which is being conducted in Room 67.
2. The level of instruction in each basic subject.
3. The intensive studies made to determine the educational needs of youth in this community.
4. The follow-up studies of their graduates which have helped the school to evaluate its curriculum.
5. The attention given to handicapped students.
6. The development of curricular guides which are available to all.
7. The evident variety of courses offered.
8. The provision made to meet the mental health needs of the students.
9. The study now being made concerning the needs of the superior students which is now being implemented by the advance training program.

RECOMMENDATIONS:

1. The curriculum guides be evaluated continuously to discover if they are detailed enough and that they are meeting the present needs of the students.
2. A study be made of the reading program.
3. Consideration be given to provide funds for dictionaries, textbooks and reference material, including library books, as required to implement the curriculum guide.
4. Shower facilities be provided to meet the health needs of all girls.
5. A study be made concerning the feasibility of establishing half-year courses in the areas of Social Studies, Business and Science to meet the needs of the slow learners.
6. Consideration be given to the adding of Business Math and Business English to complement the Business offerings.
7. Study pupils be eliminated from the rear of classrooms wherever such conditions exist.

Next week this paper will present the commendations and recommendations of the various school departments including Art, Business Department and English Department.

2 Million Women to Join Mothers' March To Support March of Dimes Health Goals

The Golden Key of Hope—a new symbol for a new decade of medical progress against crippling diseases—is the badge some two million volunteers will proudly wear in the 1961 Mothers' March climaxing the New March of Dimes.

Symbolizing the need for research to unlock the mysteries of such major crippling diseases as birth defects and arthritis, the Golden Key also represents the vaccine "keys" to polio prevention perfected through research made possible by the March of Dimes.

In most communities, the Mothers' March will take place the evening or afternoon of Tuesday, Jan. 31. Volunteers identified by the Golden Key badge will call on their neighbors for support in the campaign against tragedies which affect one in every four American families.

Each of the estimated 40 million households visited in the Mothers' March will receive valuable health information cards including Do's and Don'ts for expectant mothers, Arthritis Warnings, and Vaccination Alerts for the almost 85,000,000 Americans still not protected against polio.

Beclouded by centuries of superstition, birth defects are considered by medical authorities to be the nation's most serious child health problem. Yet the fields of cause and prevention were largely unexplored until funds from the March of Dimes began to make intensive research possible. Pointers derived from early research are included on the cards to be distributed by Mothers' March volunteers.

The cards are also designed to bring home the realization that more than 11,000,000 Amer-

Glimpsed through a keyhole, three small victims of dread crippling diseases hold the Golden Key of Hope, 1961 Mothers' March symbol of March of Dimes-supported efforts to unlock the mysteries of their afflictions. They are, left to right, Gail Berg, 3½ years, arthritis patient; Allen Markowitz, 5, polio victim; and Rosalie Porretto, 7, born with a birth defect, all of New York City.

icans suffer from some form of crippling arthritis. Many victims, grasping at straws, pay out a total of more than \$250,000,000 annually on quack "cures." The fact is that the causes of arthritis are largely unknown. There is no known cure, no known preventive. But research to find the key is being rapidly advanced through March of Dimes support.

To improve treatment and rehabilitation of those crippled by birth defects and arthritis, a network of clinical study centers is being established by means of March of Dimes funds. Techniques developed by The National Foundation in aiding polio sufferers are applied to children suffering from birth defects and arthritis. All of this research and patient care would be impossible without health manpower—and womanpower—to put it to use. To help meet this drastic problem, March of Dimes funds support a health scholarship program in every state each year. Thus the Marching Mothers also seek support for an increase in the critical supply of doctors, nurses, physical therapists and others dedicated to the improvement and protection of the nation's health.

Engagement Announced

Mrs. Francis A. Coughlin, 6 Yale Road, Arlington, announces the engagement of her daughter, Patricia Mary, to Mr. Walter R. Boone Jr., son of Mr. and Mrs. Walter R. Boone, 10 Cleveland Street, Arlington. Miss Coughlin is also the daughter of the late Mr. Francis A. Coughlin. Her fiancé is an alumnus of Boston University College of Business Administration. A fall wedding is planned.

Mardi Gras

St. Agnes C.Y.O. will sponsor a dance at the Grammar School Hall from 8 to 11 p.m. Jan. 27.

In contrast to the previous record hop dances, the Belmont Hi-Fi Band will render the dance music for this special event.

Door prizes and refreshments will be included in the program.

Dresses for the girls, and suits and ties for the boys will be the attire for the evening.

Hear Benson

Oscar C. Benson, spokesman for the Railroad Community Committee of Greater Boston, addressed the Arlington Lions Club at 6:30 p.m., Jan. 16 at the China Mill in Arlington.

Benson, Assistant Engineer Maintenance of Way for the Boston and Maine Railroad, will discuss the future of railroad transportation in America.

October Wedding

Mr. and Mrs. Gordon C. Clarke of 19 Windermere Avenue, announce the engagement of their daughter, Nancy Ann, to Donald Joseph McLaughlin, 71 Warren Street, son of Mr. and Mrs. Ralph F. McLaughlin. An October wedding is planned.

Brackett Girl Named

Miss Susan Stiles of 86 Coolidge Rd., a sixth grade pupil at the Brackett School, has been named as one of the top ten in a national contest for elementary school children, sponsored by Rand, McNally Co., textbook publishers.

The contest was to suggest the best name for a colt theoretically born this spring to a mare featured in Marguerite Henry's book, "Misty of Chincoteague", which is used in the local schools. Hundreds of children across the country suggested names, including a number from the Brackett School. Miss Frances Mo-

ran, principal of the school, has just received word that Susan's suggestion, "April Mist", was chosen as one of the ten best in the country. Susan's prize will be a set of Miss Henry's books to be donated to the Brackett School's new library. The winning name will probably be used in the stories in sequels to the book.

Birth

The Little Princess

Pictured above are Colleen Lester, Denise Corcoran, and Dennis Dahill, who will appear in the presentation of the Little Princess at St. Agnes school hall, Saturday and Sunday afternoons by the Little Theatre group of Fidelity House.

The Fidelity House Little Theatre Group will present a play entitled, "The Little Princess", by Mrs. Frances Hodgson Burnett, Jan. 28-29.

The Saturday performance will be for children only, the Sunday performance for adults, both to be held at 2:30 p.m.

24 members will take part in the production which has been a part of the Fidelity House program since October.

The play has been directed by Mrs. Karlene Samoiloff, Director of the Winchester Theatre School.

Student Planners

Going over final preparations for the annual convention of District I, American College Public Relations Association, to be held February 1-3 at Boston University, is this group of students from the University's School of Public Relations and Communications who are serving on a student committee assisting in the affair. Checking the program with Mrs. Edward R. Collier, seated, member of the School's faculty and faculty advisor to the committee, are, from left to right, Steve Ganak of Belmont, Mass.; Leo Riley of Arlington, Mass.; Richard Speedie of Dearborn, Mich.; and Marion Emslie of Waltham, Mass.

Red Cross Course

The Red Cross will sponsor a course for the volunteer "Red Cross in Our World Today," beginning Jan. 26 from 10 A.M. to 2 P.M. in the Library Hall. There will be slides of disasters that have occurred in this area which will show the place of the volunteer in a disaster in a community. Coffee will be served at noon.

Mrs. Giblin, a volunteer in the Chelsea Naval Hospital, will tell of the work of the volunteer in the hospital. The final talk of the afternoon will be "The Volunteer in Total Red Cross in the Greater Boston Area."

For more information call, Miss Dorothy Greene. MI 3-0596.

Cammarata Lists Qualifications

News Release

Christopher J. Cammarata of 106 Spring Street former candidate for Representative in the State Primaries announces that he seeks an opportunity to be a member of the Arlington Housing Board.

Christopher J. Cammarata

He is a member of the Arlington Republican Town Committee. He has been very active in the last State wide campaign. He was appointed by Governor Volpe to be chairman of his volunteers for Volpe group here in Arlington. And between the two committees he was kept very busy. But his work was not in vain, because Arlington went over the top for Governor Volpe.

In a recent letter Governor Volpe thanked Mr. Cammarata and all his workers. In a recent letter Governor the commonwealth of Massachusetts

Office of the Governor, Elect State House, Boston December 21, 1960

Mr. Christopher J. Cammarata 106 Spring Street Arlington, Mass., Dear Chris,

You can well imagine the volume of mail that has passed my desk since the election. All of which has been personally acknowledged.

I would feel remiss however, if I didn't thank you for all the work you did as chairman, and would appreciate it if you would thank your workers for me. I pledge you that I will not forget the vote of confidence given me by the fine citizens of our Common-

wealth, and will do all in my power to restore honor and integrity to our State.

May I take this opportunity to wish you a Blessed Christmas and a Happy New Year.

Cordially,

JOHN A. VOLPE

Mr. Cammarata has been a resident of Arlington for over forty-three years. A graduate of the Arlington School System of which he is proud of. He continued his education at Northeastern School of Law and Accounting for two and a half years at night. He studied at Industrial Technical School. Here he majored in an electronic course which consisted of Mathematics, Fundamentals of electronics, and electricity.

He married the former Julia Fabrizio of East Boston in 1942. Chris and Julia have two children, Christine and Anthony, 13 and 11 years old. They both attend the Arlington Public Schools.

Mr. Cammarata has been a homeowner since 1944. His business at one time was located in Harvard Square, Cambridge. He was the Treasurer of the Three Brothers Inc. and Cammarata Valet. Both of these stores were a family affair headed by his father Antonio Cammarata of Fairmont St., Arlington now deceased. His mother Mrs. Rosaria Cammarata still lives at that address.

He broke away from the family business in 1950 and went on his own. He has been in business at the same location for eleven years, at 888 Mass. Ave. under the name of Cammarata Valet Inc. Two years ago he opened another location at 4 Medford St., called the 1-Day Cleaners and Launderers Inc.

Mr. Cammarata has been active in many civic affairs throughout the town. He has been precinct chairman of the Red Cross in 14, has been a community fund worker, a Boy Scoutmaster at St. James School, a neighborhood Commissioner, and at the present time on the committee of troop 341 at the Brackett School. He has been active in the Holy Name Society of St. James Church, St. Camillus Church, and

at the present time belongs to the St. Agnes Holy Name Society. He is a member of the Knights of Columbus Council 109 of Arlington. He has sponsored the A.Y.A. and the Arlington Boys Club. He is a member of the now famous ARLINGTON BARBERSHOP QUARTET SOCIETY. Arlington should be proud of. This society which has become famous through out this area since its inception over two years ago.

Mr. Cammarata feels that every citizen should have an opportunity to serve this Commonwealth and Arlington. In his last campaign he has told the voters that he will carry out his duties to the best of his abilities, if the citizens of Arlington would trust him with their private affairs.

As Governor Calvin Coolidge once said,

"Service to the Commonwealth is not obligatory, but optional, it is not to be undertaken as a profession or as means of livelihood." Men do not serve here for pay, they seek work and places of responsibilities and find in that seeking, not in their pay, their honor."

Mr. Cammarata does not criticize any member that is on the present board of Housing authority. He feels that each man owes a duty to the town of Arlington and therefore they are answerable to them, and also to the Commonwealth.

Mr. Cammarata comes from a background of political figures. Throughout his family history there have been men in politics and in high government office in Italy. His father at one time was one of the honor guards of King Victor Immamuele when he was in the service. Not too long ago a cousin Honorable Joseph Alessi was head of the Christian Democrat Party in Sicily.

Mr. Cammarata would like to leave you with this thought in mind.

As David I. Walsh once said,

"God give us men Men whom the lust of office cannot spoil Men whom the spoils of office cannot buy God give us men."

100 At G.O.P. Committee Session

Over 100 residents were in attendance at the recent meeting of the Arlington Republican Town Committee in the Hearing Room in Town Hall.

The Republican Town Committee did not meet to endorse Republican candidates for the upcoming non-partisan town elections. "We shall not lose faith with the people of Arlington", insisted Barnstead. "The Republicans of Arlington shall live up to the established code of ethics and ask the voters to choose the candidates on the basis of individual merit, not party affiliation". For his "statement in the light of current "opposition party" endorsements, Barnstead received a standing ovation.

Registration chairman Hal Smith stated: "It is obvious", "that the electoral results in the past national election betray false indications concerning the voter registration records".

Selectman Candidate Files Papers Rebekah Lodge Charles Morgan Rev. Prange To Serve As Missionary

Candidate for selectman Tom Rawson checks out signatures with Town Clerk Ann Mahon as he filed papers this week. Next Monday is deadline for filing.

Father Son Night-Ends Boys Club Era

The Arlington Boys' Club will hold its last special event in the existing building Feb. 20.

The 18th Father and Son Night will be held on that evening.

Tickets are now on sale at the Boys' Club and parents are urged to purchase them early as they are limited.

Highlight of the evening will be the presentation of the "Good Neighbor" Award to the outstanding boy as selected by the Boys' Club staff in conjunction with the Arlington Brotherhood Committee. The young man chosen for this coveted award exemplifies the true meaning of brotherhood.

Bob Munstedt, famous children's performer will entertain at the dinner.

In addition the committee is working diligently to provide a renown sports figure. The importance of purchasing tickets early cannot be over-emphasized as sales are made on a first come first served basis.

Locates Here

Amity Rebekah Lodge No. 15 of the Independent Order of Odd Fellows will meet Feb. 6 at the Odd Fellows Hall on 681 Mass Ave.

In January the group moved here from its hall in Cambridge and on the 16th held a "Getting Settled" meeting. Members extend an invitation to any ladies interested in sharing in the activities of the lodge to contact one of the following Arlington members: Mary Winning, Past Noble Grand, Recording Secretary, of 2 Daniels St., Eva Dickinson of 27 Tufts Road, Gertrude Frazer, Past Noble Grand, of 264 Broadway or Marjory Bates of 32 Paul Revere Road. Meetings will be held on the first and third Mondays of each month.

Cabaret Night

Aram C. Conragan, Jr., president of the Armenian Citizens Association, has announced that due to last week's snowstorm, the Cabaret Night meeting program has been re-scheduled for Feb. 2.

Feature of the meeting will be entertainment arranged by Maksoud Anankian; whist, bridge, canasta, and backgammon contests will also be held. The meeting will take place at the American Legion Hall at 8 p.m.

Delicacies and refreshments prepared by the wives of the members of the board of directors will be served. Chairman of the affair, Representative Gregory Khachadorian, has announced that admission is free.

Mothers-Twins Hold Meeting

The Founding Chapter of the Mothers of Twins Association will hold its monthly meeting in the Robbins Library Hall, 700 Mass. Ave., Jan. 30 at 8 P.M.

The speaker for the evening will be Dr. Warren Guild, Senior Assoc. in Medicine at Peter Bent Brigham Hospital. He is connected with the Kidney Research Laboratory, where in the past few years they have been successful in transplanting kidneys in identical twins. Dr. Guild spoke to the group a few years ago on "Organ Transplants" and is returning by popular request.

The Arlington Mothers of Twins group will meet at the Lupton Bowladrome on Route 2 at 9 P.M., Feb. 16, for an evening of bowling; after which they will go to the home of the Community Chairman, Mrs. Donald Achorn, 6 Edgehill Rd. for refreshments.

Tells Story

Charles H. Morgan, a lifelong resident and voter of Arlington, residing at 107 Thesda Street has announced his candidacy for the office of Selectman.

The announcement stated: "Mr. Morgan or 'Charley' as he is familiarly known is well qualified to represent the town of Arlington on the Board of Selectmen and intends to meet as many voters as he can between now and March 6th to discuss the issues and his stand for the welfare of Arlington."

"Charley is a successful businessman as the owner for the past twenty years of the Specter Cleaners Inc. and for twelve years the M & M Realty Trust Company."

"His knowledge of business administration throughout these years in the two business ventures gives him the background and experience necessary to a Selectman in meeting the needs of the Town."

"He is a father of three, Charles, 18, a Senior, who is prominently known at Arlington High School in Athletics and school activities, Diane, 16, who is also a student at Arlington High, and Sandra, 12, attending Peirce School in Grade VII."

"Charley Morgan's intense service to the needy and for the welfare of people has been demonstrated in the past having been a charter member of Kiwanis Club of Charlestown, a member for many years as a Director and at present 1st Vice President of that organization where he has been outstanding in many civic functions raising financial aid and giving community service."

"He knows what town improvement means to home owners and tax payers being very active as Vice President of the Town Line Improvement Association."

Mr. Morgan hopes that every voter will carefully consider the merits of all the candidates and give one of their two votes to Charles Morgan, a lifelong resident, educated in the Arlington School System, a homeowner and civic minded individual whose desire is to serve the people of Arlington for the betterment of the Town.

At the annual meeting of the congregation of Christ Lutheran Church of Belmont, January 11, and at worship services January 15, Pastor Rudolph D. Prange announced his intention to ask for a release from his call to the pastorate of Christ Lutheran Church in early summer, in order to begin preparation for foreign medical missionary service.

In a statement explaining his decision, prepared for distribution to his parishioners, Pastor Prange cited three factors strongly influencing his request: his experiences during two years of high school overseas with his father, who has served the Philippines as a missionary for many years; a belief that Christian missionary efforts are far more needed abroad than in the United States, where practically every town has one or more Christian congregations; and a conviction that the meaning of the Christian Gospel is best proclaimed by service.

His long-time interest in medical study, of several years' duration, was also important to the entire man, body and soul. "Let me assure you that I am not LEAVING this congregation—I am GOING to a type of work I feel compelled to enter," his statement said. "If I were concerned to remain in the parish ministry in this country, and I had a choice as to where I would serve, it would be Christ Lutheran Church of Belmont. Let there be no misgivings about that," he continued, explaining why he felt it necessary to quote extensively from the writings and correspondence which had influenced his decision. "The question, 'Why should

anyone hear the Gospel twice before everyone has heard it once?' cannot be ignored as irrelevant," he quoted. Pastor Prange's medical interests go back to his years of theological study at Concordia Seminary, St. Louis, Mo. His wife, Dorothy, is a registered nurse and a part-time member of the staff of McLean Hospital.

In spite of his short term of ministry to the parish he has served since 1958, Pastor Prange's decision will be accepted with widespread and deep regret, according to members of the

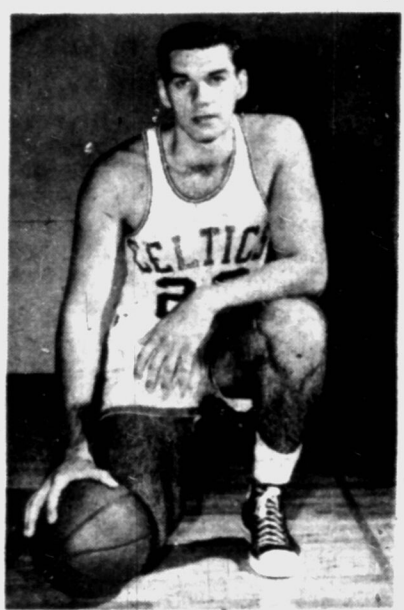

council or governing body of Christ Lutheran Church. Pastor Prange is a graduate of St. John's College, Winfield, Kansas, and Concordia Seminary, St. Louis, Mo. Before being called to the Belmont congregation he served Grace Lutheran Church and School, Queens Village, N.Y. as vicar, and St. Mark's Lutheran Church of Rochester, N.Y., as assistant pastor. His entry into premedical studies at Valparaiso University will terminate nearly five years of continuous parish service and ministry.

Meet the Celtics

by Bob Morello

Gene Conley
Height 6-8 Weight 225
Birthday-November 10, 1930
College-Washington State '52
"Gino" who is one of the Celtics top rebounders, is one of the few athletes to make the big leagues in both basketball and baseball. He made his rookie debut with the Celtics in the 1952-53 season. This past baseball season, "Gino" did not fare too well with the cellar dwelling Philadelphia Phillies, his record was 8 wins and 14 losses with a 3.69 E.R.A. This past winter he was traded to the Boston Red Sox much to his delight and that of the Boston fans.

Gene Guarilia
Height 6-5 Weight 220
Birthday-September 13, 1937
College-Geo. Washington '59
This popular newcomer to the Celtics, is the kind of fellow who does the job coaches expect him to do without attracting much attention. Gene attended Red Auerbach's alma mater, and in the three years there he averaged 17.1, 15.8 and 14.5 points. He was named to the All-Southern Conference by the time he became a junior and made the second conference team his other two varsity seasons. Next week Loscutoff and Ramsey.

Corcorans Aid Annual Dinner

An Arlington couple is among the prominent sponsors headed by President John F. Kennedy for the 13th Annual Roosevelt Day Dinner to be given by the Mass. Chapter, Americans for Democratic Action, Saturday evening, January 28, at the Sheraton Plaza.

Prof. Arthur Schlesinger, Jr., of Harvard; Adolf A. Berle, Jr., former Ambassador to Brazil; Prof. Henry Steele Commager of Amherst and Prof. Samuel H. Beer, national chairman of ADA, will discuss "New Deal to New Frontier."

Mr. and Mrs. Lawrence E. Corcoran of Arlington are included on the sponsor list.

Lester Chairman

Richard Lester of Arlington who directs Fidelity House, and who also runs Camp Dorchester for the Boston YMCA, will chair a creative workshop and seminar at the Regional Convention of the American Camping Association, to be held at the Hotel Statler Hilton, Boston, February 3 and 4.

More than 1100 camping educators, directors and staff personnel will attend the intensive two-day session from all of the New England states. The theme of the convention this year is "Creative Camping Challenges Children."

Mr. Lester will chair a session on Saturday morning which will deal with Art and Crafts Experience for campers.

85 Articles In Warrant

Arlington's lightest Town Warrant in ten years, only eighty-five articles, was closed at the meeting of the Board of Selectmen Monday night. A year ago, ninety-five articles were acted on by Town Meeting.

Of particular interest to local residents were two articles inserted by the Personnel Board seeking an across the board pay hike of \$208 for Town Employees and an additional raise for members of the Fire-Police Departments.

Eight other articles involving changes in grade and establishment of new positions were also inserted by the Personnel Board.

Another article inserted by the Board included one seeking a change in the by-law which would force anyone wishing to request changes relative to personnel to send such requests in writing to the Personnel Board by Nov. 1.

Another article inserted was one asking for a sum for paving of the Old Municipal Parking area.

A total of \$250,000 will be requested for construc-

tion of 23 streets. The figure is one of the lowest for this type of work in many years.

Another article inserted by the Housing Authority requests that the Town take some action on Urban Renewal.

Ten voters requested that the Town convey the old Railroad station to the V.F.W. and again ten voters inserted an article requesting the adjacent to the Old Municipal Parking area at Russell ter. and Winslow st.

The High School Survey Committee inserted an article requesting a survey of school needs at the high school.

Another article inserted would ask that the Park in front of Central Fire Station be known as the Francis Nevell Memorial.

Also to be discussed at this year's Town Meeting is an article requesting that the Summer st. land which was purchased by St. Agnes Parish four years ago for the purpose of constructing a school building. A change in terminology will be requested.

A change in by-laws which

would permit publication of roll call votes at Town Meeting will also be acted on at Town Meeting.

New Assistant Town Clerk

Town Clerk Ann Mahon has announced the appointment of Miss Mary A. Farrington of 32 Rawson Road as Assistant Town Clerk to succeed Mrs. Irene M. Golden, who has submitted her resignation effective February 20.

Miss Farrington has been employed by the Town of Arlington since 1951 and is presently serving as an Assistant Registrar of Voters.

Alice Kelley

Alice M. Kelley, 216 Broadway, died Jan. 22.

Surviving is a sister, Mrs. Charles W. Frazer, and two brothers, Edward L. of Arlington, and Robert J. of Lexington.

Funeral services were held from the John R. O'Donnell Funeral Home, 1021 Massachusetts Ave., with a solemn requiem high mass Wednesday at 9 o'clock in St. Agnes' Church.

The Maynard March

Getting in shape for his big walk for the March of Dimes is Dave Maynard, left, paced by trainer Carl deSuzi.

Arlington is planning a royal welcome for Dave Maynard, popular WBZ disc jockey, when he arrives here on Saturday on his 26-mile walk from Maynard to Boston to publicize the Mothers' March for the New March of Dimes.

WBZ radiopersonality Jay Dunn will be on hand to MC the activities. A motorcade will terminate at the Town Hall a few minutes before Dave Maynard walks up, pauses momentarily, and then continues on his way to the Boston Garden.

Campaign Director of Middlesex County Chapter, Robert E. Mahoney of Arlington is in charge of the arrangements for the town's program, assisted by Edward Marsh, his Associate Campaign Director. Others working on plans are Mrs. William Richards, Mothers' March Chairman and Frank O'Hara, Supt. of Public Works Dept., who is March of Dimes Chairman for the Municipal Division in the chapter. The Arlington Auxiliary Police will participate in the program.

Parker Seeks M.T.A.

Relief Board Sends Letter

Selectman John Parker told members of the Board Monday night that he doesn't think MTA Service in the Harvard square area should be as bad as it is even though there was a heavy snowfall last week.

Parker stated that the situation should have been cleared up by this time.

At the same time, Selectman Joe Greeley stated that what hurts relative to the Harvard square MTA problems is that Arlington Town Officials are being accused of not taking any corrective action on present conditions.

In the course of the discussion Greeley suggested that Arlington should get tough and force MTA buses to pull over the curb in Arlington when making stops.

Both Greeley and Parker use the MTA to Harvard square to and from their work in Boston.

Parker stated that on Monday it took him one and one-half hours to go from Arlington to his place of business in Boston and equally long to return home at night.

He further noted that he had to wait 30 minutes for a subway car on the way to work after finally reaching Harvard square from Arlington, and that on his return home at night he observed some 400 commuters waiting for the buses to Arlington.

On Mr. Parker's suggestion another letter to the MTA relative to Harvard square conditions will be written.

Blizzard Costs Town \$25,445.82

Youth Council Holds Service

The Arlington Protestant Youth Council of Churches will hold a United Youth Service Feb. 5, at 7:30 pm at the Trinity Baptist Church, East Arlington.

Dr. Victor Scalise, pastor of the Calvary Baptist Church of Lowell, Massachusetts will give a sermon on "Youth Needs a Faith-Lifting." The Service will be interdenominational and most Protestant Youth groups have canceled their Feb. 5 meetings so that all may attend the service. All Protestant high school and older youth are invited to attend.

Promoted

Francis X. Brennan, 77 Beacon St., a sophomore at Norwich University here, has been promoted to the rank of Cadet Corporal in the regimental organization of the Corps of Cadets.

Brennan, who was a 1958 graduate of Arlington high school, is majoring in business administration at the military college. He is the son of Mrs. Catherine Brennan.

Book Review Club

The January 11 meeting of the Book Review Club was held at the home of Mrs. Hiram F. Moody of 85 Arlington Street, Winchester. A review of "Hawaii" by James A. Michener was given by Mrs. Ehrich Schreier.

Mrs. John J. Kilroy of 3 Wall Street will be hostess of the February 8 meeting.

The wild "Nor'easter" which lived up to the letter of the true blizzard-heavy snow, high winds and temperatures below 10 degrees—cost the town of Arlington a total of \$25,445.82 according to Town Manager Edward C. Monahan.

The storm earlier last week cost the Town \$12,803.90 to clean up. Thus winter has cost Arlington over \$38,000 during the month of January.

The snow was measured at 15-16 inches on the level and deeper in drifts.

Plowing operations started shortly after the storm began and the \$25,000 tab included work completed until 9:30 p.m. Monday.

Snow removal cost a total

of \$8,568.34; plowing operations added another \$9,230.29; sanding and salting cost \$5,699.16 while maintenance of equipment cost \$1,948.03.

Police Wives

The Arlington Police Wives' Assn. had their January meeting at the home of Mrs. William Richardson. Club officers for the year elected included: Pres., Mrs. Henry Bradley; Vice Pres., Mrs. Robert Ouellette, Sec., Mrs. William Bowler; and Treas., Mrs. Richard Shea.

Plans were completed for a theatre party for the club to attend the showing of "My Fair Lady."

As little as \$175 a week payable monthly after small down payment.

Retires

Harold O. Erb of 143 Overlook Road, Arlington, has retired from General Radio Company after serving over 43 years in the Company's employ. Mr. Erb, a native of St. John, New Brunswick, Canada, joined the firm in August of 1917. He has been associated with General Radio longer than any other employee in the Company's history.

Prior to joining General Radio, Erb worked as foreman at the Simplex Electric Heating Company of Cambridge. When he started work at General Radio, he was employed in the Instrument Assembly department. From there he moved to the engineering department's Experimental Shop in 1929. Here he worked closely with the design and construction of signal generators, oscillators, and other electronic devices until his retirement.

His educational background includes attendance at Wentworth Institute, Eastern Radio Institute and Hawley School of Engineering.

Mr. and Mrs. Erb would like to lead a quiet life and "just rest" for a while before making any further plans.
